

## VETRINA DI ECCELLENZE

**Vetrina di Eccellenze** is the unique portal in Switzerland (Canton Ticino) dedicated to the events industry. The portal contains a directory where performers, locations, agencies and service-providers present themselves and their products to facilitate the seek for a trustful partner from communication, promotion, tourism and events organization operators. Besides every month the best events or services are listed in the homepage for training and information. The portal has the patronage of the Republic and Canton Ticino - Department of the territory and of the Working Community Regio Insubrica.
